

The City of Cave Springs is accepting applications for Public Works Field Technicians. This is an opportunity to develop your career in a small hometown community with dynamic growth and development. This job is outdoors and includes repair and maintenance of streets, parks and the water and sewer systems.

This is a full-time position that reports to the Public Works Director. The Pay Range is \$16.00 to \$24.00 per hour. Compensation is commensurate with experience and certifications. This is a career position that provides continuing industry-based education, uniforms and a benefits package with Municipal Health, Vision, Dental and APERS Retirement.

Qualifications

Education:

- High School or equivalent to a high school diploma, plus three (3) years of experience or combination of additional education and experience.

Other Qualifications:

- Minimum age: 21 years
- Valid Arkansas Driver's License, with good driving record
- Ability to operate a vehicle safely and with good judgement
- Ability to observe, report and record information clearly and accurately.
- Ability to give diagram, written and voice instructions.
- Skilled in the use of basic and specialized hand tools.

Successful Applicant Must Obtain:

- Valid Arkansas commercial driver's license (CDL) with Class B Air Brakes Endorsement
- Certifications and Trade Licenses as required by Arkansas state law.
- Ability to locate mains, valves and other utilities.
- Skills in water sewer and street system maintenance and repair.
- Knowledge of blueprints and map reading

A drug screening and background investigation will be conducted before employment can begin. Job description and application available upon request. Submit a completed application/resume, with salary history via mail or email to:
